

Ordering Guidelines:

Emblem Type:

Specify the type of emblem you require.

Logo Design/Artwork:

Submit your artwork according to the Artwork Requirements above.

Due Date:

Indicate the required completion date for your order.

Size

Specify the dimensions of the product.

Quantity

Provide the number of units needed.

PMS Colours

List the Pantone Matching System (PMS) colors for accurate color reproduction.

Border Type

Choose the border type for your emblem (e.g., merrowed, laser-cut, stitched, etc.).

Backing Type

Select the backing type for your emblem (e.g., iron-on, sew-on, Velcro, adhesive, etc.).

Fabric/Material/Colour Swatch

Specify the fabric or material type and attach a color swatch if necessary.

Application Required

- Indicate if the emblem application is required.
- If yes, specify the type of application: heat pressed or sew-on application.

Type of Apparel Being Applied

Provide details about the type of apparel the emblem will be applied to (e.g., t-shirts, hats, jackets, etc.).

Apparel Specs

Include any specific apparel specifications or requirements (e.g., fabric type, color, size, etc.).
